These terms and conditions (collectively, hereinafter referred to as the "**Terms**") govern your ("**User**") access to and use of the website, www.redbus.in and the redBus mobile applications ("**Website**"). The Website is owned, managed and operated by **IBIBO Group Private Limited ("Redbus")**.

Please read these Terms carefully before using the Website, which is an online marketplace. For the purpose of clarity, it is hereby stated that the Website is not engaged in providing any services by itself but is a platform, which merely connects the bus operators with the bus travellers.

These Terms are an electronic record in terms of the applicable legislation. This electronic record is generated by a computer system and does not require any physical or digital signatures. By using the Website, you signify your agreement to be bound by these Terms.

redbus allows You to surf the Website or buy bus tickets for yourself, your family and your friends, without registering on the Website. You shall be deemed to have read, understood and expressly accepted these Terms, which shall govern the desired transaction of bus ticket booking through the Website for all purposes, and shall be binding on You. All Your rights and liabilities and/or the Website with respect to Your use of the Website and availing bus ticket booking facility ("Facility") provided by the Website shall be governed by these Terms.

PLEASE NOTE THAT YOUR USE OF THE WEBSITE IN ANY WAY SIGNIFIES YOUR ACCEPTANCE TO THE TERMS. By agreeing to these Terms, You also agree to redBus' other Website policies; including but not limited to, (i) Privacy Policy, as amended from time to time; and (ii) Cookie Policy.

In addition to these Terms, any other terms of service of the application-programming interface (**API**) with which Redbus may tie-up would form an integral part of these Terms (hereinafter referred to as the **API Terms**). However, in the event of a conflict between such API Terms and these Terms, these Terms provided herein shall prevail.

Both You and redBus are individually referred to as 'Party' and collectively referred to as 'Parties', in these Terms.

1. Terminology:

1. For the purpose of these Terms, wherever the context so requires "You" or "User" (would mean 'redBus user') shall mean any natural or legal person who has agreed to become a buyer of the bus tickets and/or an availer of the Facility being offered on the Website.
2. The term "We", "Us", "Our" shall mean redBus and/or its affiliates.

2. Our Website:

Redbus is an online bus ticket aggregator, which merely connects the bus operators with the travellers. In light of the foregoing, redbus wishes to state the following:

1. The Website is a marketplace, which merely lists the inventory of bus operators who are registered with the Website, but does not own the services per se. Hence, the limited role of the Website is to connect You with the bus operator and vice versa.
2. You understand and agree that the fare of the bus tickets listed and/or offered for sale by the bus operator on the Website, is solely determined by the respective bus operator, and redbus, as an aggregator has no control over the fare of the tickets listed on the Website. In the event, the minimum and/or the maximum fare of the tickets, is in contravention of any law and/or any order or judgment of any regulatory authority/Tribunal/Court, it shall be the sole responsibility of the respective bus operator to ensure that such fare is in compliance with the law/order/judgment, and redbus shall in no way be liable for such contravention of the law/order/judgment.
3. In light of the foregoing, You agree that any liability in relation to any services being offered on the Website in accordance with the applicable laws shall be that of the bus operator and not redbus. In case of any deficiency of service, You agree to pursue any such action arising from such deficiency of service against the bus operator and not the redbus.
4. You further agree and acknowledge that the redbus is only a facilitator and is not and cannot be a party to or control in any manner any transactions on the Website. Accordingly, the contract of sale of services on the Website shall be a strictly bipartite contract between You and the bus operators listed on the Website.
5. You further agree and acknowledge that all the 'discounts/coupons (if any)' on the Website/prices at which the tickets are being sold by the bus operator on the Website is merely an invitation to offer in accordance with the applicable law and shall not be construed to be an offer in accordance with the applicable law. Hence, in light of the foregoing, when you agree to purchase the bus tickets listed on the Website by the bus operator, that would be termed as a 'valid offer' under the applicable law and after doing so it is upon the bus operator to accept the said 'valid offer' or reject the 'valid offer'. In this regard, note that if the bus operator accepts the said 'valid offer', only then would it tantamount to be a 'valid contract' as per the applicable law.
